

# CASCADE FLYER

Website <http://co-opa.com>

## **President's Message:**

If we can't go flying, at least we can talk about flying. Both past flying and future flying. Maybe even just some wishful flying.

You guys know the drill: meet this Third Thursday, March 21, at 6pm. Once again at the Bend Builder's Assist hanger as our 'new' meeting location. Many thanks for them allowing us to use their space. The street address is 63030 Powell Butte Hwy (on the south west corner of the airport), the same place the EAA Chapter 1345 meets.

Bring something tasty to share at our 6:30pm potluck. Then we will finish up a short informal meeting at 7pm.

Depending on whose forecast you use, our Fly-out day will be either 40% or 24% chance of rain and snow, and cloudy. Ugh. Looks like we'll be eating in town again, instead of flying.

Let's just keep reminding ourselves that Spring is here. Soon the snow will just be a good cocktail party story.
