July 2021, Vol. 21, Issue 7

President's Message:

It is that time of the month again. Time for our CO-OPA Meeting, on this Third Thursday, July 15th. Let's meet at 6pm in the Bend Builders Assist hanger 63030 Powell Butte Road on the south west corner of KBDN. Bring your own dinner, and we'll eat right away before food gets cold. Now that COVID is, hopefully, past, maybe time to discuss other meal options? After we eat and chat there are always things for us to discuss.

As always, many thanks go out to Mike Robertson, and Mike Wissing, for letting us use their space.

Sunny and hot, locally, is the forecast for our Fly-out day. Possible confounding factors are people's vacation schedules, TFRs, and possible smoke. Be sure to come and add your two cents worth.

Fly-out:

Our June Fly-out, June 19th, was short and sweet. We headed out extra early to arrive in Prineville Airport (S39). Arriving at 9am, we were the last to show up for the EAA Chapter 617 monthly pancake breakfast. Turnout was good, with pilots coming in from many other Central Oregon airports.

HB 2434:

Thanks to the effort of the Oregon Pilots Association, HB 2434 passed! The \$0.11 per gallon Aviation Fuel tax will continue. That goes a long way to General Aviation paying its fair share of airport expenses.
