

CASCADE FLYER

Website <http://co-opa.com>

August 2019, Vol. 19, Issue 8

President's Message:

Per the usual, our monthly CO-OPA meeting is this Third Thursday, August 15th, at 6pm. Still in the Bend Builder's Assist, thanks to Mike Robertson allowing us to use his space. The street address is 63030 Powell Butte Hwy (on the south west corner of the airport). Bring something tasty to share at our 6:30pm potluck. Then we will finish up a short informal meeting at 7pm.

This month's Fly-out forecast looks almost like last months. KBND expects a high of 84F, clear skies, and WNW winds at 5 to 10 mph. And the weather looks good all over. Where should we go this Fly-out?

Also be sure to attend the annual OPA Convention on September 14th at Aurora State Airport (UAO). They always put on a fun and informative event. More information on here: <https://www.oregonpilot.org/annual-convention>

Airshows:

Airshow season is upon us. The Airshow of the Cascades will be Friday night, and Saturday, 23-24 August, at Madras Municipal Airport (S33). This year features a drone show, Bud Granley in his Harvard, Mark Peterson in his L39, plus cars, motorcycles, music by Precious Byrd and much more! More information here: <https://www.cascadeairshow.com>

The Oregon International Airshow is moving to McMinnville Airport (MMV) on the 21st to the 23rd of September. Their featured performers this year are the Royal Airforce Red Arrows. More information on their web site: <https://www.oregonairshow.com/>

Both are looking for volunteers and encouraging pilots to fly-in.

Calendar:

15 August – Monthly Meeting
17 August – Monthly Fly-out
23-24 – Airshow of the Cascades (S33)

14 September OPA Convention UAO
19 September – Monthly Meeting
21 September – Monthly Fly-out
21-23 September – OR Airshow MMV
22 September – Jordan Chicken Run

17 October – Monthly Meeting
19 October – Monthly Fly-out

Rusty Pilot Seminar:

If you feel grounded, but are ready to get back in the air, Leading Edge Aviation is hosting a Rusty Pilot Seminar on Saturday August 17th from 9am to noon. Here is no information about it on their web site, so call them for details.

July Fly-Out:

Another Fly-out day with great weather. Three planes headed out early (by my standards) to Mulino for their airport day. The local EAA chapter provided pancakes with fresh local blueberries. Yum. Plus cars, planes, military vehicles and much more. The Mulino Airport has improved nicely since the state took it over.
