

# CASCADE FLYER

Website <http://co-opa.com>

## **President's Message:**

We are stuck in the same place again this month. We will meet in the hanger to the north of the Leading Edge Jet Center, on the second floor. Anyone have any idea on a handicap accessible space we can use?

As usual, we meet on the Third Thursday (20 September). Meet and Greet at 6pm. Chow down at our potluck at 6:30pm, and finish up a short informal meeting at 7pm.

For our Fly-out some people will want to fly to Tillamook (KTMK) to be driven down to the Pacific City Airport (KPFC). There is a big work party scheduled. Also a lunch Fly-in at the Cascade Locks Airport (KCSK) to show support for that airport. None of that may work for us. The Saturday weather forecast is for overcast all day, rain at 2pm.

Sunday looks much better. The forecast is for clear, light winds, and temperatures in the lower 60's. Perfect 84<sup>th</sup> Annual Jordan Chicken Run Cruise-In & Fly-In (OR51). This has been a very nice event in the past, I plan to go. Nice cars, nice planes, lots of vendors, and all you can eat chicken.

## **August Fly-Out:**

The sky was clear, but smoke was threatening from the south on our August Fly-out day. So several of us headed to Cheerleaders Grill, next to the Riverhouse. Afterwards I decided to do some air work in the local area. By the time I landed, visibility was about 5 miles in smoke. Good thing we did not leave the local area.
