DONATION PLEDGE FORM

Thank you for attending tonight. The success of the Friends of Bend Airport depends on businesses and users at the Bend Airport contributing. There is no paid staff.

We ask you to donate your specialized knowledge, skills and experience during the start-up phase, and over time. Our primary operating model is based on work groups. Each work group brings focus on a single aspect of the airport, such as safety, planning and improvements, finances & fees. We “Seek first to understand; Then be understood”.

We also ask you to donate funds, items or other resources that enable us to establish and maintain our organization, communicate, advocate and collaborate – all to bring the airport from “Good” to “Great”.

- I’d like to be a member of one of the already-established workgroups. (Circle one or more)
